Remove all gutters from railroad station. \$600 (I told him we do not want all removed, just the damaged ones. Rick will work it out with him.) Quote was \$600 for all but will be less if fewer areas are removed. This requires renting a lift to do the work.

*Phil made a motion for the gutter work to be done for not more than \$600. Nancy H. 2<sup>nd</sup> the motion. All in favor. Unanimous.*

He looked at the freight house but they could not see where the damage is.

*Needs to be looked at again as there is possible water damage.*

*Also the roof of the caboose is leaking perhaps Crowells can apply sealer. These items are to be followed up at Oct. meeting.*

Connie T. motioned to adjourn the meeting at 7:45 pm.
