July 30, 2008 Heritage Day Meeting

The meeting was called to order at 7:05, pm

Members Present

Pam Judge, Kelly Shea, Snooky Shea, John Waitner, Connie Twombly, Nancy Bancroft and Joe Brejwo

Pam spoke with Terry Gannom, who has a caboose with plow. He is willing to place it on a rail at Heritage Park. He would be responsible for all maintenance and expenses. It would be a static display. The Commission discussed this.

Connie made a motion that we proceed with exploring the possibility of coming to an agreement between the Commission, the Town and Mr. Gannom, from Acton, ME who wishes to move his caboose onto a siding of Heritage Park. Nancy seconded. Unanimous.

The rest of the meeting was spent on the final planning of Heritage Day.

The meeting was adjourned at 8:45, pm

The next meeting will be on August 6, 2008 at 7:00, pm at Union Station
