Pam turned the meeting over to John Waitner. Meeting was called to order at 5:00.

A special meeting has been called because of the work being done on the house of Pam and Bill Judge. It has been discovered that some of the clapboards which have been scraped and ready to be painted are retaining moisture and can not be used. They need to be replaced. It is well over 200 square feet so a permit is required. Pine clapboards will be replaced with cedar. Discussion ensued.

Joe suggested that we should have criteria for an emergency meeting in our files. Since this was a meeting called for a special purpose that will be added to the next agenda.

A letter to the Town's Building Inspector has been prepared and was read aloud.

Joe made a motion to approve the amended project of Pam and Bill Judge's house and to submit this letter to the Building Inspector as maintenance only.

Nancy Seconds the motion. Motion passed with one abstention.

Meeting adjourned at 5:20

Respectfully Submitted,
Valerie Ward, Secretary
