Meeting Called to order at: 6:30 pm      By: Pam Wiggin

- Started the meeting with the pledge of allegiance
- 5<sup>th</sup> Certified Local Government Grant received to study on Turn Table Park
- Victoria Bunker, the Consultant attended to discuss the research
- Pam stated "This project is financed with federal funds from the National Park Service, US Dept of Interior. Herein' the contents and opinions do not necessarily reflect the views of the policies, department, and the interiors, nor the mention of any trade named on commercial products constitute endorsement in recommendation by the Department of the Interior."
- Victoria discussed research:
  - Phase 1 Survey, background research how the Railroad was used. Looking for Railroad maps, town maps, insurance maps, photos, and archives.
  - Phase 1A of statement of work does not include digging so instead Ground Penetrating Radar will be used.
- All results from the research will be in a final report.
- WHC Will use the information to prepare signage at the park
- If a long-term lease with the state is signed may look at moving the Freight House to Turn Table Park.
