

**TOWN OF WAKEFIELD**  
**Public Hearings Notice**  
**Community Development Block Grant Project**

The Wakefield Board of Selectmen will hold three consecutive Public Hearings on January 22, 2020, 7:00 p.m. at 2 High Street, Wakefield, New Hampshire 03872. Community Development Block Grant funds are available to municipalities through the NH Community Development Finance Authority. Up to \$500,000 annually is available for economic development projects, up to \$500,000 for public facility projects, up to \$500,000 for housing projects, and up to \$350,000 for emergency activities. Up to \$25,000 is available per planning study grant. All projects must directly benefit a majority of low and moderate income persons. The public hearings will hear public comment on the following:

1. A proposed application to the Community Development Finance Authority for a CDBG Public Facility Application for up to \$500,000 for water improvements to the Sanbornville Precinct Water System including the replacement of approximately 2.43 miles of old 1930's steel pipe that is susceptible to leaks and breaks on Wakefield Road, High Street, Meadows Street, Lovell Lake Road, Witchtrot Road, Borroughs Ave, School Street, Ceder Street and Cosmar Drive. This will result in a more efficient system with less water being pumped due to loss and less O&M costs due to repairs. The distribution main replacement includes appurtenances such as hydrants, valves and services. The majority of the residents in the Sanbornville Census Designated Place (CDP) are of low or moderate income.
2. The Residential Antidisplacement and Relocation Assistance Plan.
3. Progress of water improvements including the installation of a 2,700 linear foot eight inch watermain loop along Rines Road to the existing six inch watermain on Lovell Lake Road in order to eliminate and reduce water outages that the system customers have been experiencing.

Provisions for persons with special needs can be made by contacting the Selectmen's Office, via telephone or mail, at least five days prior to the public hearing.
