## Wakefield Police Department's Good Morning Program

**What is the Good Morning Program?** The Wakefield Police Department's Good Morning Program was created for residents of Wakefield, Brookfield, and Union who do not have regular contact with friends, neighbors, or relatives. This program allows for residents to call in daily to the police department to ensure they are both safe and well.

### How the Good Morning Program works?

- Those seeking to participate in the program, will fill out the attached application. The application will include information that is needed should an emergency situation arise.
- Good Morning participants will need to call the Wakefield Police Department, 603-522-3232 Monday-Friday between 8 A.M. and 10 A.M. On weekends and holidays, they will need to call the Carroll County Sherriff's Office 603-539-2284 to check in.
- If participants are going to be away from home, in the hospital, or leaving early in the day, we ask that they notify the Wakefield Police Department in advance.
- If a participant does not phone in before 10 A.M. our dispatcher will call to ensure their well-being. If the dispatcher is unable to reach the participant, an officer will be sent to the residence.
