

TOWN HALL ACCESSIBILITY – IMPORTANT INFORMATION

In an effort to comply with efforts to contain the spread of Covid-19, as well as to continue to provide the Town with services, as of Monday, March 23, 2020, the public's accessibility to Town Hall offices will be limited. All public access will be limited to the hours of 9a.m. to 3 p.m., through the Gafney Library connector entrance **ONLY**. Upon entering, we ask that you immediately proceed to the restroom to wash your hands. **There will be temporary drop boxes, labeled by department, for your use in either leaving material or picking up same.** These boxes will be checked and contents distributed several times a day. **We encourage you to accomplish business with Town offices on-line or by mail whenever possible.**

All public meetings will be conducted in the opera house. **Access to those meetings will be via the elevator only.** It is our intent that all meetings will be aired live via Channel 1301 and via Facebook (Clearview Community TV), and we encourage you to watch the meetings from the comfort of your homes, especially if you are not feeling well or are exhibiting any symptoms of Covid-19.

These restrictions will be revised during the first week of May, unless we are required to do so sooner.

Thank you for your cooperation and stay healthy!
